

ANTIGONE ANNUAL MEETING 22 & 23 NOVEMBER 2012 INDICATIVE PROGRAMME

THURSDAY 22 NOVEMBER

| <i>Time</i> | <i>Topic</i> | <i>Who</i> |
|---------------|---|-------------------------------|
| 09:00 – 09:45 | Coffee and registration | |
| 09:45 – 10:00 | Opening by Thijs Kuiken (coordinator) | |
| 10:00 – 10:10 | Session on Expert Workshops | |
| 10:00 – 10:10 | WP1 Dahlem Interspecies barrier | Chaired by Christian Gortazar |
| 10:10 – 14:15 | Session on Primary Research studies Interspecies barriers | |
| 10:10 – 10:50 | WP2 interspecies barriers for non-vector-borne zoonotic pathogens | Chaired by Andrew Cunningham |
| 10:50 - 11:30 | Break | |
| 11:30 – 12:15 | WP3 Interspecies barriers for vector-borne zoonotic pathogens | Chaired by Tony Fooks |
| 12:15 – 13:45 | LUNCH at Suitehotel Pincoffs | All |
| 13:45 – 14:15 | WP4 Interspecies barriers for Escherichia coli | Chaired by Christian Gortazar |
| 14:15 – 14:30 | Discussion Research on Interspecies barriers | All |
| 14:30 – 17:30 | Session on Primary Research Studies Intrahuman barrier | |
| 14:30 – 15:00 | WP6 Role of Genetic and antigenic variation of zoonotic pathogens at intrahuman barriers | Chaired by Derek Smith |
| 15:00 – 15:30 | WP7 Adaptation of zoonotic viruses to replication in humans | Chaired by Christian Drosten |
| 15:30 - 16:00 | Break | |
| 16:00 – 16:30 | WP8 Adaptation of zoonotic bacteria to replication in humans | Chaired by Christian Gortazar |
| 16:30 – 17:15 | WP9 Human immune response to zoonotic pathogens | Chaired by Noel Tordo |
| 17:15 – 17:30 | Discussion Research on Intrahuman barriers | All |
| 17:30 – 18:30 | Drinks at Suitehotel Pincoffs | |
| 18:30 | Travel by Watertaxi to Hotel New York for group dinner | |

End of formal part Day 1

FRIDAY 23 NOVEMBER

| <i>Time</i> | <i>Topic</i> | <i>Who</i> |
|---------------|---|------------------------------|
| 09:30 – 10:15 | Session on Primary Research studies Interhuman barriers | |
| 09:30 – 10:15 | WP11 Human-to-human transmission of zoonotic pathogens | Chaired by Ron Fouchier |
| 10:15 – 10:45 | Session on Primary Research studies Risk assessment, prevention and intervention | |
| 10:15 – 10:45 | WP13 Epidemiological and ecological risk assessment models and dynamics models | Chaired by José de la Fuente |
| 10:45 – 11:15 | Break | |
| 11:15 – 11:45 | Session on Young ANTIGONE | |
| 11:15 – 11:45 | WP14 Young ANTIGONE | Chaired by Thijs Kuiken |
| 11:45 – 12:45 | Discussion overall progress | Chaired by Thijs Kuiken |
| 12:45 – 14:45 | LUNCH at Suitehotel Pincoffs | All |
| 13:45 – 14:45 | SAB meeting (Suitehotel Pincoffs) | SAB members |
| 14:45 – 15:00 | Session overall approach and management (WP15) | |
| 15:00 – 15:15 | EC Research on infectious diseases | Christian Desaintes |
| 15:15 – 16:45 | SAB results and discussion | Chaired by SAB |
| 16:45 – 17:00 | Closure ANTIGONE meeting | Thijs Kuiken |
| 17:00 – 18:00 | Drinks at Suitehotel Pincoffs | All |

End of ANTIGONE meeting

Attendees list

| Group | Persons | Present 22 NOV | Present 23 NOV | Representatio n (in your absence) |
|---|------------------|-------------------|-------------------|---|
| Comparative Pathology | T. Kuiken | | | |
| | L. Reperant | | | |
| Virology | A. Osterhaus | | | |
| | P. Koraka | | | |
| Molecular Virology | R. Fouchier | | | |
| | S. Herfst | | | |
| Virology | M. Koopmans | | | |
| | G. Freidl | | | |
| ANTIGONE Project Office | F. Deege | | | |
| | M. van Roode | | | |
| | A. Gideonse | | | |
| UPSA/UBIVE | N. Tordo | | | |
| Viral Zoonoses and Vector borne diseases | T. Fooks | | | |
| | N. Johnson | | | |
| Avian Virology & Mammalian Infl. Group | I. Brown | | | |
| | S. Brooks | | | |
| CERA | A. Breed | | | |
| Pathogenesis and Control (EHEC) | R. La Ragione | | | |
| | M. Giles | | | |
| Uk-Bonn | C. Drosten | | | |
| | B. Kuemmerer | | | |
| | F. Drexler | | | |
| | R. Kallies | | | |
| | S. Junglen | | | |
| | M. Mueller | | | |
| Department of Zoology | D. Smith | | | |
| Department of Veterinary Medicine | J. Wood | | | |
| Department of Wildlife Epidemiology and Disease Control Group | C. Gortazar | | | |
| | J. Alvarez | | | |
| Genomics, Proteomics and Biotechnology Group | J. De La Fuente | | | |
| Institute of Zoology | A. Cunningham | | | |
| Department of Medical Microbiology | M. de Jong | | | |
| | C. Schultsz | | | |
| Institute of Molecular Pathogenesis | C. Menge | | | |
| Department of Microbiology | A. Papa-Konidari | | | |
| Department of molecular Ecology | L. Grubhoffer | | | |
| | N. Rudenko | | | |
| Filovirus Laboratory | V. Volchkov | | | |
| Laboratoire d'Anthropologie Sociale | F. Keck | | | |
| Institute for Hygiene | H. Karch | | | |
| | M. Bielaszewska | | | |
| | U. Dobrindt | | | |
